That Redefine Your Living

The site plan illustrates the layout of Aashiyana Village Phase II, divided into four distinct blocks: A-Block, B-Block, C-Block, and D-Block. Each block contains a grid of numbered plots. Block A (purple) includes plots A-1 to A-63, Block B (blue) includes B-1 to B-41, Block C (green) includes C-1 to C-100, and Block D (pink) includes D-1 to D-86. The plan specifies various road widths: 30" wide roads and 25" wide roads. A legend defines symbols for electric poles (EP), babool trees, trees, building structures/huts, and roads. A north arrow is provided for orientation. Surrounding roads are labeled 'TO RAILWAY' and 'TO MUKUMDIPUR'. The project is identified as 'PROJECT BY Aashiyana'.
